## FIRECRACKER

*This stunning front facing design is tipped to be our Autumn Best Seller. Striking rich autumnal shades in a instant display arrangement. Karen chose Allium, Kangaroo Paw, Rich Burgandy Carnations, and a lovely mix of flowers to tone.*

## FLORAL WORLD CUP

*On the 9th of September Karen travelled to Manchester to the Interflora World Cup, pictured here with Elizabeth Newcombe, the UK competitor, who at only 26 took bronze. The winner was Nicolaus Peters from Germany.*

# WREATH WORKSHOPS

*If you are interested in our Christmas Wreath Workshops  
Please email us. click [here](#) to enquire*

*Always a pleasure to meet up  
with our friends at The Good  
Florist Guide. Not often florists  
get dressed up, but I'd say we  
scrub up not too badly*
